

Process for Center Accreditation and Affiliation of Government Institutes in Skill India Portal

As per directions from MSDE, Centre Accreditation and Affiliation of the Government institutes are done basis institute's application (TP Registration) and TC accreditation through an endorsement letter from Gazetted Officer. As per this policy direction, Government Institutes are exempted from paying fees for Centre accreditation and affiliation.

In addition, Physical inspection of these institutes are exempted basis the endorsement letter from Gazetted Officer, which will be considered as the proof of the quality assurance (compliance to Centre Accreditation & Affiliation- grading metrics and SSC norms) of such institutes.

In line with this policy decision, the following process is followed for Government Institutes:

A. Government Institutes' registration as Training provider and Creation of Training Centre

1. Government Institute will log in to Skill India Portal and click on "Register" tab to start the Training provider registration process. They will choose user group as "Training provider" and complete the registration process by submitting the requisite documents.
 - 1.1 In case of non-availability of required documents (e.g. Certificate of incorporation etc.) Holding department in states issues a letter as per the prescribed format in Annexure 1 and fill out the details of these Government institutes and uploads the filled annexure 1 in TP registration form on Skill India Portal
2. Post completion of Training provider (TP) registration process, the TP can start filling the Center Accreditation and Application Form (CAAF), and will submit the photographs using the mobile application. For detailed understanding of the process please refer to https://nsdcpdfdocuments.s3-ap-south-1.amazonaws.com/documents/SMART/TC_Registration.pdf
3. After TC completes the CAAF filling process on Skill India Portal, the TC will share an endorsement letter as per Annexure 2 format, duly signed and sealed by Gazetted Officer from the Holding department with NSDC through sending email to smartrecommendations@nsdcindia.org.
4. This endorsement letter can be signed and sealed by Class I or Group A rank officer of the holding department of the state. The letter should be issued on the official letter head of the officer duly signed and stamped by the officer carrying its official "seal".

Post processing of endorsement letter, the TC will be marked 'Deemed Ready' and can proceed for scheme approval/Job role recommendation. The tentative grading and marks of the respective Centre at the time of CAAF submission will be deemed final. Once scheme approval is being done, TC needs to apply for recommendation by which the scheme approved job role will be visible to SSC for Accreditation & Affiliation.

Please note that being accredited and affiliated in no way means that a Training Provider and Training Centres under them shall receive targets under PMKVY or any other government schemes. Target allocation for these recommended Centres is at the sole discretion of the schemes. NSDC is not liable for any claims, losses, liabilities, damages or costs of any nature whatsoever to these Training Providers who completes the process of Accreditation & Affiliation on Skill India Portal.
